The organisers reserve the right to amend the programme.

Document updated as of 21 October, please confirm all details and times on the Schedule-at-a-Glance.

MONDAY, 27 OCTOBER

09.30 – 13.30 GLOBAL TB SUMMIT

An inaugural meeting co-organised by the International Union Against Tuberculosis and Lung Disease & the UK All Party Parliamentary Group on Global TB bringing together elected representatives from seven countries, both developed and developing to discuss research and development of new medicines, diagnostics and vaccines. The Summit will be opened by José Luis Castro, Executive Director of The Union, and the Honourable Dr Aaron Motsoaledi, Minister of Health for South Africa.

NB: This event is not open to delegates or media. However, a number of Parliamentarians will be available for media interviews after the summit has concluded.

TUESDAY, 28 OCTOBER

09.00 – 18.00 GLOBAL TB SYMPOSIUM (WHO)

Location: Room 112

In May 2014 the World Health Assembly approved the WHO's Post-2015 Global TB Strategy which aims to end the global TB epidemic by 2035 with an associated 95% decline in TB incidence and the elimination of catastrophic costs for TB-affected households. This session will focus on strategies aimed at reaching those targets.
